### BASIX Certificate

The Building Sustainability Index (BASIX) is a web-based planning tool designed to assess the potential performance of residential buildings against a range of sustainability indices.

A BASIX Certificate identifies the sustainability features required to be incorporated in the building design. These features may include sustainable design elements such as recycled water, rainwater tanks, AAA-rated showerheads and taps, native landscaping, heat pump or solar water heaters, gas space heaters, roof eaves/awnings and wall/ceiling insulation.

You need a BASIX Certificate in Hay Shire Council when BASIX applies to the type of development for which you require approval. Commencement dates and details of types of development are at [www.basix.nsw.gov.au](http://www.basix.nsw.gov.au).

The applicant is required to submit the BASIX Certificate with the Development Application or Complying Development Certificate application. The plans and specifications must also identify the BASIX commitments which will be checked by a professional building certifier during construction. Where submitted plans or specifications are inconsistent with the relevant BASIX Certificate, Council will require applicants to submit consistent applications before progressing with the assessment process, either by amending plans/specifications or by submitting a new BASIX Certificate with commitments that match the rest of the application.

**Applicants can generate the BASIX Certificate only on the BASIX website: [www.basix.nsw.gov.au](http://www.basix.nsw.gov.au). For more information, phone BASIX Help Line on 1300 650 908.**

## **POLITICAL DONATIONS & GIFTS – DAs ONLY**

Your attention is drawn to the Department of Planning's Guidelines on Political Donations & Gifts. The guidelines require the following:

Any persons with a financial interest in the application, is required to disclose all reportable political donations and gifts made within the previous 2 years when making a planning application to the Council. A disclosure must also be made of any reportable political donations or gifts made during the period the planning application is being considered prior to it being determined. These include:

- (i) all reportable political donations made to any local councillor of the council,
  - (ii) all gifts made to any local councillor or employee of that council.
- A reportable political donation made to a local councillor of any local council includes any donation made at the time the person was a candidate for election to the council.

# STATEMENT OF ENVIRONMENTAL EFFECTS

If unsure about any of the details required it is recommended that you contact Council's Planning & Environment Department by calling Hay (02) 6990 1100 and make an appointment to discuss your proposal with an assessment officer.
